Dear Mr. De Fortuna:

This letter acknowledges receipt of the Respondent's Response to Order to Show Cause in the subject case.

On November 30, 2017, the NLRB issued an Order Transferring Proceeding to the Board and Notice to Show Cause requesting that responses to the Notice be filed with the Board on or before December 14, 2017. The Agency's records reflect that the Respondent's response to the Notice to Show Cause was filed with the Office of the Executive Secretary at 12:22 AM. (ET) on December 15, 2017. Therefore, the Respondent's response is untimely, and will not be forwarded to the Board for consideration.

Very truly yours,

/s/ Farah Z. Qureshi
Associate Executive Secretary
